

New Bexley, New Eagles and New Sidcup Badminton Club

SHUTTLECOCK ETIQUETTE

- Please look after the feather shuttles. These represent a major expense for the club. They are delicate and much in need of tender loving care
- Please treat the birds with respect
- Avoid hitting the feathers
- When the bird is on the floor, please pick it up and pass it to the server, DO NOT slide/hit it across the floor with your racquet/foot etc
- Before serving, smooth any ruffled feathers
- Continue using shuttles with cosmetic damage for as long as practical
- Damaged birds must be placed in the black bucket
- At the end of the evening birds with slight damage will be assessed for retention or possible donation to members/school
